

# ANDERSON VALLEY

TASTE NORCAL'S COOL COAST WINES

## Where is ANDERSON VALLEY?

## ANDERSON VALLEY

AMERICAN VITICULTURAL AREA (AVA)

90 VINEYARDS PLANTED

1983 FOUNDED APPELLATION

30 WINERY TASTING ROOMS

| Acres       |               |                    |
|-------------|---------------|--------------------|
| 57,600      | 2,457         | 27                 |
| TOTAL ACRES | PLANTED ACRES | AVERAGE SIZE ACRES |

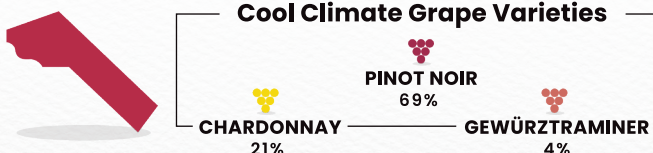

15 Miles along Highway 128

## Growing Conditions

|             |             |               |
|-------------|-------------|---------------|
| UP TO 2,500 | AVERAGE 53° | UP TO 50°     |
| ELEVATION   | TEMPERATURE | DIURNAL SHIFT |

Anderson Valley has a unique Diurnal Shift. It can be 80°–100° in the day, but drop to 30°–50° at night, creating a chilling effect on grapes that can retain acidity.

## Cool Climate Grape Varieties

The **Anderson Valley Winegrowers Association (AVWA)** helps nurture, advocate for and safeguard the Anderson Valley wine appellation. Through promotion, the AVWA seeks to establish Anderson Valley as a world class wine region while also creating a protected environment for future generations.

## EXPLORE FUN HAPPENING IN ANDERSON VALLEY!

### Annual Events

#### EVERY FEBRUARY

#### Winter White Wine Festival

Join our producers for a one of a kind event that focuses on white wines and sparkling. The festival showcases white wines shining a light on the very special world of white wine.

#### EVERY MARCH

#### Coast Trade Tasting

Our annual industry-focused event is for members of the trade and press to meet with our producers and explore current releases on the Mendocino Coast.

#### EVERY MAY

#### Pinot Noir Festival

Join our producers to celebrate one varietal from one appellation during this multi-day festival. With more than 50 wineries showcasing Anderson Valley Pinot Noir, the weekend offers local food, education and fun for wine connoisseurs, winemakers, viticulturists, and casual consumers alike.
